# Welcome letter from Head of Centre

## **Welcome to Oakburn Early Years Centre (EYC).**

Oakburn EYC is a purpose-built Early Years Centre for children aged 2-5 years, opened in 2021. It is set in the heart of Milngavie and links with many local schools. We recognise the importance of partnerships with parents/carers and the local community to promote involvement in the life of the centre and ensure its success.

We pride ourselves on being committed to providing a happy, stimulating environment with caring and skilled staff that support children's wellbeing and learning.

We offer an innovative learning and play environment with inspirational play opportunities indoors and outdoors where children can make choices, build independence and develop their skills across the curriculum.

There are spaces for indoor play, a court yard play area with fresh air but sheltered, and a large garden space for children to explore. We also have quiet learning and rest spaces, fully equipped with the latest digital technology for children.

Children's learning is planned and tracked linked to a Curriculum for Excellence and Pre-Birth to 3 and we ensure we are meeting children's needs through a Getting it Right for Every Child (GIRFEC) approach.

The information that can be found on the website will give you a greater insight into the centre's layout, ethos, practice and curriculum approaches.

Should you wish any further information please do not hesitate to contact us.

Yours sincerely

**Kirsty Mahindru**

*Head of Centre*
